Price: \$1200 + GST

## Overview

This amazing device allows for incredibly clear Live Listening of its surroundings in real time. Simply dial the phone number of the SIM card which is provided inside the bug, to listen in at any time.

## Getting Started

The unit will be set up and ready to go before it even reaches you. Once it arrives, simply take it out of the box and charge it before first use, no more than 6 hours charge is required. The unit is specially designed for long battery operation (Over 3 weeks on a single charge) after which time you simply recharge the unit.

## Features

- ✓ Listen in up to 6m around the device
- ✓ Battery life over 3 weeks
- ✓ Magnetically attaches to metal surfaces

## In the box

- ✓ Live Listening Bug
- ✓ Charging Cable
- ✓ Sim Card
